

Business Community and Professionals - Lalita Stables, Head of Enterprise Sales, Google

Father, in the name of Jesus, we thank You for richly blessing the business community in our city. Thank You, for opening doors of opportunity, for your supernatural favour and increase that is at work in our lives.

Father, we declare that Your Word will be operative in the life of every business professional. May we honor You with our possessions and with the first fruits of all our increase. We pray for divine protection over the finances of every business, every professional and every family.

We ask that Your Spirit of wisdom, favour and power rest on every support worker, business owner, leader, investor and entrepreneur. May they be motivated by Your values, with a divine sense of Your purpose and incorporate Your principles into their business practices. Help them, we pray, to make righteous decisions and operate with justice and integrity. Give them dreams and visions that exceed their expectations for their careers and businesses and a Godly confidence that cannot be shaken by their circumstances.

Father, we ask for Your enabling power, Your innovation, and Your guidance as we seek to build a future for the next generation to not only excel in business but make a significant social impact in our communities. So today we ask for divine ideas, attached to kingdom purpose that we may execute them well and bring Glory to your Holy name.

We pray that our influence would increase in every boardroom across the top 500 companies in our nation. Help us to lead with love and uphold our Christian values, even when it costs us. And most importantly, may the way we conduct ourselves in business, gain the respect of our colleagues and so we can show them a correct view of who You are, that many will come to know You personally.

We pray all this in powerful name of Jesus, Amen.
