

Dear Heavenly Father

We thank you for your abundant grace and loving-kindness in all aspects of your lives. We are especially grateful to you father for the health that you give us, and the medicine you provide for us when we are in need.

We pray Lord that you bestow upon us always happiness and health. For with this health, we may go out and represent your name to all people. We also pray Lord for those who are not as fortunate, and are currently going through hardship, whether it is personal or someone we know. Forever remind us dear Jesus that you are always by our side, always stretching out your hand to us, never leaving us. When we are struggling, you care for us. When we fall, you lift us back up. When we are sick, you send us the care we need to get back on our feet.

Finally we pray always for our city, Sydney. May it continue to prosper to become one of the greatest cities. May your light and blessings fall upon it always Father, so that it continue to grow, and be a safe haven for not just us, but future generations to come.

Through Jesus Christ, our Lord, Amen.
